Section C Water Activities

23. Waterborne activities are only permitted during daylight hours.
24. The following craft are permitted to be used on the lake by members within their membership entitlement: monohull dinghies of less than 5m length overall, windsurfers, kayaks, canoes, paddleboards, rowing boats, wingsurf boards and wing foil boards.
25. Whilst using the lake users must ensure that they do not adversely interfere with other users. When there are organised activities taking place (such as club racing and training) users should determine how best not to interfere with these activities, including if appropriate requesting guidance from the activity's organiser.
26. For the duration of an open meeting or championship the Sailing Committee may elect to close the lake to all non participants. Members will be notified by email in this event.
27. Lifejackets, or buoyancy aids to an approved standard (as a minimum ISO12402-5) must be worn by all persons when afloat in any craft and additionally by all Junior Members when in the vicinity of, or on, any pontoon, jetty or water frontage.
28. Either wet or dry suits must be worn when sailing, paddle boarding, wind surfing, or canoeing between 1st November and 31st March. Wetsuits, as a minimum standard, must be of "long john" design and provide thermal insulation up to the wearer's shoulders.
29. It is the sole responsibility of each person to wear clothing and safety equipment appropriate to the activity undertaken.
30. All craft using the lake must have adequate insurance, to include a minimum third-party cover at the level recommended by the RYA.
31. All members shall be responsible for clothing and other equipment which is brought to the Club. The Club reserves the right to sell or otherwise dispose of any equipment deemed by the Management Committee or its representatives to be lost property and any proceeds of sale shall be retained by the Club.
32. Club Members are expected to undertake duties to assist with Club events and racing. All members are expected to undertake two duties a year and regular racers (as decided by the Sailing Committee) are

expected to undertake three duties a year. Members will be fined for failing to turn up for a duty or for failing to find a suitable replacement for their duty. The Sailing Committee, may at their discretion, waive this fine in exceptional circumstances, but may request the Member's presence at a Committee meeting to explain their reason for letting down the Club. Failure to discharge the fine within 30 days will result in Membership being cancelled. For Members who are unable to do Club duties there is the option to pay to "opt out" at the time of joining the Club, details can be found with the membership fees.

Section D Club sailing boats

33. Members entitled to hire Club boats shall complete the booking online. Payment of the hire charge must be made before use. After use, a dinghy must be returned to its place in the Dinghy Park, the cover securely fitted, the sails neatly stored, the ties to the ground made fast and any damage or faults reported.

34. All damage must be notified to the club boatswain either in person or via email. The Club reserves the right to claim payment for any damage. Failure to abide by these rules may result in further use being denied.

35. Lost rudders and dagger boards must be paid for in full.

36. It is a condition of hire of club boats that members provide their own buoyancy aid.

Section E Powered boats

37. Only powerboats owned by the Club and other boats authorised by a member of the Management Committee or the Chief Instructor are permitted to be used on the lake.

38. Only drivers holding RYA Powerboat Level 2 Certificate or higher may operate powered craft on the lake.

39. An appropriate "kill cord" MUST be used and correctly attached to the driver of all and any outboard engine powered craft when the engine is running. The electric motor provided by Spinnaker Sailing Club for the committee vessels is exempted from this rule.

40. Powered craft can be used for authorised training, course management, and Club race/safety duties only, unless expressly authorised by the Sailing Committee or their representative.

41. Members who are authorised to use the Club powered craft shall enter their details in the Club Powerboat Log Book on each occasion of use. They shall ensure the boats and engines are left secure and all keys returned. Any damage or defect noted during use must be recorded in the Log Book.

42. Drivers of any powered craft under motor must be sixteen or over unless under instruction on an approved training course or under the direct supervision of the chief instructor, Training Centre Principal or other such person given express authority by the Committee.

43. Members who are under sixteen years of age may be in attendance in the powered craft when it is safe and appropriate to do so; Junior Members or Junior Family Members under the age of 12 MUST NOT be aboard when employed as a safety boat, unless being rescued.

44. Guests and visitors to the Club are not permitted to use the powered craft unless they are acting in a formal capacity at the behest of the Club.

45. If a Flag Officer, Race Officer or RYA Instructor views the driver of any powered craft to be acting irresponsibly or feels they are driving in an unsafe or inconsiderate manner, then they have the authority to instruct the operator to cease using the craft and ask them to leave the lake. Such instruction shall be complied with immediately.
