

Starting Sequence (3 minute cycle)

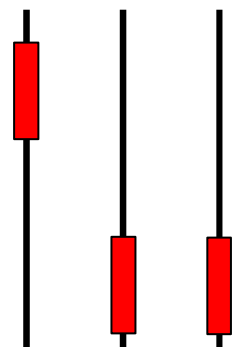

Warning **3 minutes** - 3 tubes raised

Preparatory **2 minutes** - 1st tube lowered

1 minute - 2nd tube lowered

Start **0** 3rd tube lowered

Note: If a rolling start is intended the 3rd tube will remain hoisted and the other two tubes will be raised. There will just be a single sound signal.

- The start line will be between the committee boat mast and a mark with a blue flag (or as defined on the official notice board).
